Wall Mount

Surface Mount

In-Ceiling Mount

Pole Mount

Features

- ◆ H.264(MPEG4 Part 10) compression
- ◆ Auto tracking PTZ camera is an innovation of CCTV camera with our motion tracking technology.
- ◆ With the video analysis and recognition, the tracking PTZ camera can automatically lock and track a moving object and thus to realize full-time unattended surveillance
- ◆ The tracking PTZ camera also has functions like alarm tracking, auto return to preset, multi-preset localization, memory and auto cruise. It can realize full smart surveillance
- ◆ Based on our motion tracking technology, automatically follow a moving object/person (auto P/T/Z) in target area.
- ◆ Return to home position after some programmable time interval when there is no moving object in the area.
- ◆ Built-in OSD menu for easy setting.
- ◆ Windows blanking and tracking boundary setting for privacy purpose.
